I declare under penalty of perjury the foregoing to be true and correct.

I received no treatment until I had been looked at by nurse during med call on 7-8-2021 where the nurse noticed right away my tooth in fact had an infection and shortly after put me on Antibiotics.
on 7-7-2021 Co Gibson was present and witnessed what had been said between me and nurse Chambers and also had told me that I would have to give my second sick call sheet to medical staff's morning shift because Chambers would not wait until I had filled out the sick call but rather left to continue her rounds to pass out meds.
